1872-008 Chancery Causes: Admr. of Corr Bailey vs. George W. H. Haben & Lee Co.

Young, Gilley, Jones, Flanery.

CA - Debt

To the Honorable Henry J Morgan Judge of the County Court of Lee County

Your Orator George W Young administrator of the estate of Isaac Bailey respectfully represents That he administers in due form of law on the estate of the said Bailey - That as administrator of said estate there came into his hands a bond executed by one George W H Hobson and George W Gilly to Your Orators intestate who was administrator of the estate of Benjamin F Hobson dec'd which bond was for the sum of one hundred and nineteen dollars which bond was dated on the 17th day of March 1860 and made payable twelve months after date, which bond is herewith filed marked A. and prays to be considered herewith - The said Gilly has departed this life and Hobson has removed from this state and gone to parts unknown - Your Orator states that he has been informed that Hobson is the principal in said bond and Gilly was only his surety, he further alleges that neither the said Hobson nor Gilly paid to the said Bailey in his lifetime the said sum of money or any part thereof nor have they or either of them or the representative of said Gilly paid to Your Orator the said sum of money or any part thereof and the same is now justly due and owing

As already states the said Hobson has removed from this State but he understands and charges that one James F Jones a resident of this County is indebted to him in the sum of $1000 - and one James M Flaney is also indebted to him in the sum of $500 - and to subject these debts to the payment of Your Orators claim is the object of this bill - His prayer therefore is that the said George W H Hobson, James F Jones and James M Flaney be made defendants to this bill and that the said Hobson answer as to his said indebtedness and the execution of said bond, and the said Jones and Flaney are required to answer

as to their indebtedness to the said Hoburn and on a hearing a decree be rendered in favor of your orator for the amount of said sum of money and that the said Flaney and Jones be decreed to pay out of what they may owe Hoburn so much of said debt to your orator claim and costs of this suit And grant general relief may &c
